The Sericultural Expert purchased on 20th December 1943 a pair of healthy bulls for the Central Silk Farm, Kollegal at a cost of Rs.250/-. for Rs.25/-. The Sericultural Expert is on the look out for a bull to match the living one. If this is not obtainable he proposes to purchase a fresh pair, disposing of the one alive as it will not be of any use by itself. He reports that a pair of bulls at the present market rate will cost about Rs.800/-. I request that Government will be pleased to sanction the incurring of an expenditure not exceeding Rs.800/- for the purpose. Every endeavour will be made to keep the expenditure as low as possible.
